## World War One

Remember the soldiers that risked their lives for us today.

Remember their courage, they had to go out of their trenches.

Remember their injuries, the screaming of pain.

Remember their families that had to dream of the worst thing.

Can you Remember? Some of you can and some of you can't.

If you can't, then try and picture in your mind how hard it was for a Mother saying goodbye to her son, when it might be the last time.

Try to Remember

REMEMBER.
