Change Of Worship Times

At the October church council we had a meaningful discussion regarding the shortage of local preachers and the better utilisation of our ministers. Anyone who read the minutes of that meeting will see that David was going to discuss times with his other churches and a decision will be made at the February church council.

David explained again that he is underused ie he is taking 15 services a quarter compared with Ruth Crompton who is taking 26 services and he could therefore on occasions take more than 1 service on a Sunday morning.

The proposal therefore which was unanimously carried is that for the next 2 quarters commencing on Sunday 2 June we will commence worship at 11.00am and coffee will be served prior to worship at 10.30am.

This will be revisited again at the October church council.

God Bless, Bryn
